

# ART PROMPTS

- ◆ What does 'art' mean to you? Does it have to be in a museum or can graffiti be art?
- ◆ What kinds of people make art?
- ◆ Is color important to you when you look at art?
- ◆ What kind of art pieces do you like?
  - Art that tells a story
  - Sculptures
  - Simple drawings
  - Imaginary places or creatures
- ◆ Do you think art that was created a long time ago can still be exciting to someone now?
- ◆ Have you ever seen a piece of art that made you feel a strong emotion? Do you remember what it was that made you feel this way?
- ◆ If you've never felt that way do you think art can be that powerful?
- ◆ Do you think anyone can be an artist? Why?
- ◆ Try to imagine yourself as an artist. Imagine what kind of material you are working with and the place you are in. Can you describe it? What kind of artist were you?
- ◆ If you could design a huge sculpture to put outside your house what would it look like?
- ◆ If you could choose one art piece to put in your bedroom what type of art would it be?
- ◆ If you could have a conversation with an artist, who would it be? If you don't know any names just try to think of what kind of art you like and ask your adult helper to look up a few people with you.
- ◆ Final question, if you were told that you were going to do art for some time every day for the rest of your life, how would you feel?
